

Presented by the Whittier Area Peace and Justice Coalition

The Water Protectors at Standing Rock captured world attention through their peaceful resistance. While many may know the details, **AWAKE, A Dream from Standing Rock** captures the story of Native-led defiance that forever changed the fight for clean water, our environment and the future of our planet. The film is a collaboration between Indigenous filmmakers, Director Myron Dewey, Executive Producer Doug Good Feather and environmental Oscar Nominated filmmakers Josh Fox and James Spione. It is a labor of love to support the peaceful movement of the water protectors.
